An interactive workshop about how to create dynamic, colourful and painterly tree landscapes.

Artist Challoner Spokes will show you how to create original and painterly tree themed landscape paintings. Using loose and obvious mark-making we'll explore how to build artwork from strong lines and bold colours.

Topics we will cover are:

- Introduction to the art medium.
- How to create brave under-sketches
- Observation and Proportion
- Layering, Techniques and use of Colour
- Practical Session: Creating your own tree themed masterpiece.
